

REMARKS

Claims 31 – 39 have been cancelled and claims 40 – 61 substitute therefore.

Claim 40 corresponds with prior claim 39 with the revision to obviate the rejection under 35 U.S.C. § 112, second paragraph, to make it clear that it is the flap formed with the depressions.

The specification has been reviewed in detail to assure support for dependent claims 41 – 61. See specification pages 9 - 13.

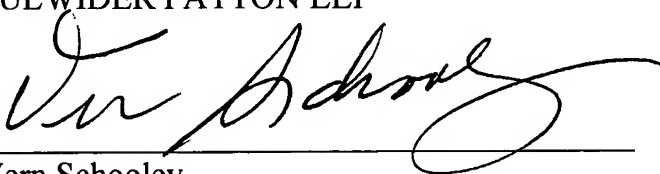

The examiner's courteous indication that independent claim 39 is allowable is gratefully appreciated.

It is believed the case is now condition for allowance and early notice thereof is respectfully solicited.

Respectfully submitted,

FULWIDER PATTON LLP
